UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

JOEL LUBRITZ,

Plaintiff(s),

vs.

AIG CLAIMS, INC.,

Defendant(s).

Case No. 2:17-cv-02310-APG-NJK

ORDER

(Docket No. 9)

Pending before the Court is a proposed discovery plan, Docket No. 9, that fails to provide the certifications required by Local Rule 26-1(b)(7)-(8) and misstates the deadline for seeking extensions established by Local Rule 26-4.¹ Accordingly, the discovery plan is **DENIED** and the parties shall file a discovery plan that complies with the local rules by September 28, 2017.

IT IS SO ORDERED.

DATED: September 22, 2017

NANCY J. KOPPE
United States Magistrate Judge

¹ Such extension requests must be filed 21 days before expiration of the subject deadline, not 21 days before the discovery cutoff. *See* Local Rule 26-4. For example, filing a request to extend the deadline for initial experts that is 21 days before the discovery cutoff is untimely, as the initial expert deadline would have already expired weeks earlier.
